

**SPEECH OF HON'BLE GOVERNOR ON THE OCCASSION OF
NAMASTE START UP ON 13 JUNE 2016 AT HOTEL BNR
CHANAKYA, RANCHI ORGANISED BY HELP GROW UP.**

Johar, Namaskar,

I am delighted to be with you all this morning . I compliment the organisers to have thought of the concept of Start ups which is both relevant & timely.

Start up as a concept is as old human civilization. From pastoral activities like hunting and gathering to the Supercomputers and space shuttles of today are all start ups. A tea stall or Vegetable vendor is as much a start up as also the big companies like Google or Apple. The differentiation is one's imagination, the power of our dreams. As you know , all these huge companies began from country-side garages.

Everyone calls Jharkhand a rich state – Swarnagarbha Basundhara, . Nature is bountiful all over. Then why should our people suffer ? Why is there so much poverty and inequality? Why is Jharkhand a fertile ground for Left Wing Extremism ? The answers to these questions must come from our collective conscience. People in Jharkhand may be poor but as you showed me in your presentation, they are rich in their enterprise and imagination. The job of the Govt and the job of the civil Society is to ignite that imagination and create an enabling environment for the start up option. This is what our Hon'ble Prime Minister

dreams about. India can be vibrant only when every Indian is vibrant. Every Institution is vibrant.

What I saw in your presentation today is extremely fulfilling to me. Extremism is in the wane. That throws up an opportunity to be encashed. The time has come for a thousand flowers to bloom. The MUDRA scheme of the Govt. of India has come at the right time.

The time has come for the Govt to stand up for entrepreneurs by going an extra mile. It is only an Entrepreneur who creates job and wealth for our society.

I sincerely thank the organizers to have taken that small step and have no doubt in mind that 'Help Grow Wings" would really expand and be a contagious movement in the state. Kindly be assured of my fullest support to these endeavors.

JAI HIND.

JAI JHARKHAND.
